Introduction

Reports

DHS Funding - '08 extend to Oct, '09 expires in Oct, '10 expires 2013. If cannot spend monies, please notify John Kohnke ASAP so funds can be reallocated. Develop spending plan for your team and if run into snags, contact Scott Chappell for assistance

State Fire Marshal - All ORE's in except 9. High scores in 90's, lows in 60's. Going to do line by line review. Plan to have tallied by Sept TF leader conference call. Not punitive, only to determine where funding needs to fall.

Work Groups -

TFL – re evaluate the WG and place new people in those areas.

Training – prepared a document for presentation to the FFCA. Motion to forward (Jeff Strickland), second by Clint Roberts to send document to Executive Board to review prior to submission to FFCA to place document into Rule. Motion passed.

WSAR – quals and ORE's being prepared

Water – finalized the position description and typing for Flood/Swiftwater.

Finalized Type I team cache at work group committee. Motion for the cache is being submitted for approval (Ken Craft) and seconded (Jeff Strickland) to Executive board and prepared for addition to typing/position description document and available for use.

New FASAR Positions – Hal Eastman for Jarvis Bedford

Nominee committee for Vice Chair and Odd numbered Region Reps – Jeff Strickland and Kathy Weaver will be the nomination committee.

State SAR of the year nominee – submit your nominee to Todd

TJ Lyon – review resources available to match with resource list available for RNC.
