### **Workgroup Reports**

Communications – joint training done at Vigilante Guard. Waiting on after action report.

Logistics – status quo

ADSAR – still functioning. Get with Scott Chappell to coordinate training.

Structure Specialist – working on liability issue.

Medical – new chair from TF 6. Still need reps (doc and med spec) from each TF to participate in working group. Goal is to look at medical cache and develop statewide disaster protocol. Review statewide EMS disaster protocol and see what is needed to add for usar and sent to Dr. Nelson.

Search - getting emails from K9 training groups that needs to be review by Mike Marks to determine validity of groups.

Training – Chapter 633 was adopted, subtle changes in programs that allows for rule changes that can be done for haz mat and US&R. Rule development takes about a year.

TF 1 - nothing new, competed administrative audit from FEMA successfully

TF 2 – mobility of smaller groups

TF 3 – medical spec class in progress, finished 2 advanced shoring part 1, with part 2 to begin followed by part 3 – upcoming training classes: July 29 - August 2nd Advance Shoring, August 19 - 23 Advance Shoring 2, August 26 - 30 Advance Shoring 2, September 9 - 13 Advance Shoring 2, October 14 - 18 Rope 1, October 28 - 1 Rope 2, November 4- 9 Con Space Recert, December 9 - 14 Collapse recert Shoring
