MISSION

Unify and coordinate the efforts of SAR Responders in the State of Florida.

LTRT Working Group Meeting Minutes

January 17, 2017

MOB platform - who takes what

Need to get accurate information on what each LTRT team has when it goes out the door. Engine strike team (5 engines) mission-

- 1) Backfill fire station and extrication capability.
- 2) Wide area search at certain levels (5 engines + LTRT component)
- 3) Surface rescue with ability to assess need for additional assistance.
- 4) Force multiplier with US&R team

What is LTRT bringing to the mission on a deployment? Equipment, vehicles, self sustainment?

Mission - MRP capability, EST/TRT – have to have a definition of the mission for engine strike team

- Wide area search
- Backfill fire station

Training

State has specialist training calendar which includes meetings ad phone conferences. Scott Chappell can assist with finding training as needed for LTRT
