## FASAR Business Meeting Agenda

**January 22, 2019**

**1500-1600 hours**

Introduction and Roll call – Dave Downey is no longer he sections FFCA liaison. Mike Murphy is our new FFCA liaison.

Nominations Committee – Vice Chair, and odd region reps

Hurricane Michael AAR – **Need all TF's AAR's to Todd ASAP.** Can be used for funding gaps. Need a set standard for AAR's. HSEEP is format that should be used.

L960 All Hazard Division Group Sup Rm 104 at FRE Wednesday and Thursday

Req A – Livingston – fill out annually with titles but use most expensive individual to determine costs. Need figures for CERF-P and FWC

Legislative update – Chappell – FFCA Board requesting more information to open the rule making. Looking for support from FASAR. Need to open the Rule to change the following: want to revise the task books that are imbedded in the rule, remove the requirement to use syllabus, revise instructor procedures for tracking in FCDICE.

Motion by Jeff Strickland to open Administrative US&R rule to revise the task books that are imbedded in the rule, remove the requirement to use syllabus, revise instructor procedures for tracking in FCDICE. Seconded by John Sabia. Unanimous approval.

SFM update – Chappell - Hurrex – each TF to submit 5 scenarios for expected hurricane response specific to their jurisdiction and send to Chief Tucker or Scott Chappell by end of February 2019. Imbed PIO's in the teams/ESF 4/9 capturing images (need to visually document what is happening at the scene). Hurrex need participants at the Hurrex venues. Make training needs known to Fire College. Specialist training schedule and training plan being developed annually.

FDLE has concern that US&R sustainment be picked up by the state and out of SHSGP as the dollar figures have increased dramatically. Need to pursue appropriations bill to fund sustainment of State US&R teams.

EMAC/SUSAR update – Livingston - Had 2 EMAC responses during Hurricane Michael in addition to all 8 state US&R teams and 6 federal teams. Any feedback regarding the 2 EMAC teams, bring to the AAR meeting.

Work Group Meeting Reports – Doerffel – TRT – equipment needed to deploy, MRPs, training and use TRT's as force multiplier, Training – specialty classes at Fire College, ADSAR -
