FFCA Board of Directors

The Florida Association for Search and Rescue requests the opening of FAC 69A-37.065 Programs of Study and Vocational Courses. Specifically, we need to open the Rule to change the following:

Revise the task books that are imbedded in the rule

Remove the requirement to use syllabus

Revise instructor procedures for tracking in FCDICE.

A motion was made and seconded during the Business Meeting with unanimous approval to make this request. If you need any additional information, please contact me. Thank you for your consideration for our request.

Sincerely,

Todd Livingston
