Introduction and Roll Call

Induction of Vice Chair and Odd Region Reps

Nomination Committee for Chair, Secretary and even Region Reps (Chair is voted from the members – must all ensure that search and rescue has been selected on their FFCA membership to vote) – committee Larry Doerffel and John Sabia

Legislative Update – CFO meeting with all the TF's around the state. Reinforce need for TF's (as well as local legislators) to sustain the team when he comes to visit. CFO very receptive to US&R.

SFM Update – partnership with ANG and CERFP going well. ANG sent letter outlining assisting US&R this year. Aviation units will be sending out teams immediately post storm once weather ok for flying. Make statement that all US&R will use common platform for reporting information. Request sent to Director to have access to the platform year round for training access for all departments

EMAC/SUSAR Update – Possible need request from Louisiana.

Working Group Reports – good communications among all work groups.

StS – working on recruitment;

Training working on training packages;

Communications moving forward

ADSAR have 2 Chinooks, 4 Black Hawks and 1 Lacota (recon aircraft) and put two teams together with CERFP and 2 US&R teams. Will stand this team up prior to storm, these aircraft will launch once winds drop for aircraft to safely fly. Anticipating this will be a 72 hour mission. Will integrate other
