 - Florida Task Force 3 (FL-TF3) Tampa, FL
 - Florida Task Force 4 (FL-TF4) Orlando, FL
 - Florida Task Force 5 (FL-TF5) Jacksonville, FL
 - Florida Task Force 6 (FL-TF6) Ft. Myers, FL
 - Florida Task Force 7 (FL-TF7) Tallahassee, FL
 - Florida Task Force 8 (FL-TF8) Ocala, FL

Training achievements to date:

- **166 students** have completed the US&R Operations and Technician training, **logging 7,840 contact hours of training**
- **231 students** have attended US&R Specialist training, **logging 6,970 contact hours of training** along with **2,276 hours of required computer-based training**
- All US&R Operations, Technician, and Specialist courses have been filled to the maximum authorized number of students and there have been only four (4) students who were not able to complete the course for which they were registered:
 - Two (2) last minute cancelations for the Rope Rescue Technician course with a miscommunication that prevented the seats from being filled. That communication issue was identified, addressed, and was not repeated.
 - One (1) Planning Team Training student tested positive for COVID-19 the night before class and it was not possible to find a student to fill that spot.
 - One (1) Planning Team Training student attended the first day of class but had a family emergency and was not able to return.
- Total training accomplishments
 - **397 students logged 14,810 contact hours of US&R training with an additional 2,276 hours of computer-based training**
