- As of today, significant changes to staffing and rules in the SEOC due to the major increase in COVID cases
  - All personnel will wear a face masks at all times in the Rudd (SEOC) and Sadowski (DEM) buildings.
  - In a measure to reduce the potential of COVID-19 exposure and allow more social distancing for persons working in the SOEC the following ESFs will work remote: Emergency Services Branch Chief, ESFs 2, 4, 9, 10, 12, 15, 17 and 18. ESF 6 and 11 and Federal representative to reduce staff on site by 50%
  - A secure remote platform for the morning Command and General Staff briefings will be established for ESFs offsite
  - Additional restrictive questions for entry to DEM complex will be issued today, focus on personnel patronizing bars, restaurants and retail on 50% occupancy and wearing masks. Those who have been in bars, restaurants and retail of greater than 50% occupancy and/or patrons not wearing masks will be denied entry to either building.
  - DEM and SEOC staff who have flown commercial carriers will not be allowed in DEM buildings unless approved prior to re-entry to buildings by DEM command.
  - If the SEOC is activated for a major incident such as greater than a CAT 1 hurricane the COVID-19 operations will move off-site. All mask and check-in rules remain same.
- Significant increase in COVID-19 positive cases in the 20 to 40 age group. Persons may be asymptomatic yet increase spread of the virus.
- The State Surgeon General issued a state health advisory on Saturday urging all persons to wear masks in public to help curb the spread of the virus.
- DBPR will be inspecting bars and restaurants to enforce the 50% capacity rules.
- DOH and DEM will begin surveying all hospitals daily for COVID-19 cases.
- ESF 14 Public Information is placing a major focus disseminating health messaging across social media platforms.
