

08/05/2020 SEOC morning briefing
Day 152

Dr. Rivkees

- 5,400 new 10.88% positivity rate, 0.91 RT
- Prepare for schools testing
- Focus on NH visitation processes safely
- Messaging campaign on handwashing, distancing, and masks strategy

Plans – Today last day for AAR and COVID response

SERT Chief

- Invoice portal up and running
- Please verify invoices, DEM is paying for a lot of stuff not normal in a disaster. When invoice comes in will reassign back to agency who received item for sign off confirming correct and received.
- Focus on testing, DEM is spending \$7.2M per day on 98 CBST, right size where possible.
- Linda to cover for Kevin for a few days
