14. LIAISON REPORTS

13. Regional Reports

REGION	TOPIC	DETAILS
1		Good experience, especially for the newer folks. Wildland qualifications update will help us significantly. Trying to bolster our numbers.
3		Working on getting our contacts/resources squared away.
4		Thx for all the hard work. Lots of lessons learned.
5		Working on understanding my role. The State Hurricane exercise was a great learning experience. Lots of lessons learned from Michael, especially with respect to logistical support in the austere environment. Avoid using reserve apparatus to deploy. Deploy frontline and keep reserve at home.
6		Chris Wolf introduced as the Lee County Alternate. Region 6 is doing a multi-discipline exercise, tabletop first and then a full-scale exercise in starting in February. Drill conducted by NCTC and its FREE! Region 6 played a big role in Michael with resources and EOC support.
7		Deployed 2 US&R, 2 EST's, and LTRT's. Regional Coordinator Delarosa deployed to the EOC. Hosting 4 All Hazards courses in Broward.

14. LIAISON REPORTS

14. Liaison Reports

LIAISON AGENCY	TOPIC	DETAILS
DSFM	Michael Support	Great having the support at the EOC. Need to strengthen the PIO element.
DSRC		Support funding for Haz Mat and US&R and forward the ASHER document to the FFCA Board
PIO		Recognized the need to increase PIO in the large-scale disasters. Confusion with requests for non-fire related PIO's coming through ESF 4/9.
FASAR		Unprecedented cooperation with our partners such as FNGB, FFS, FWC, etc seen during Michael. Goal to identify Con Op even more important. This will include reliable cost estimates. Trying to build our canine cadre. Had issues with Survey 1,2,3 when there were problems with connectivity. Once connectivity became reliable, Survey 1,2,3 was a great tool.
FLAHR		Created a SharePoint to have available documents accessible and up-to-date.
